

# Canadian Net-Zero Emissions Accountability Timeline

**Note on CESD reports:** The Commissioner of the Environment and Sustainable Development is to submit a report *at least every five years*, resulting in at least six total reports. The first report should be submitted *no later than 2024*.

**Note on assessment reports:** They are submitted 30 days after Canada's National Inventory Report which occurs 2 years after each milestone year.

-  **Planning year**
-  **Target setting year**
-  **Progress report year**
-  **Assessment report year**

-  **Parliamentary review**
-  **Interim Objective**
-  **Report of the CESD**

**Note:** Dates associated with each event are *at the latest*.
